Documented experience with various power tools and landscape equipment required. Previous snow and ice control experience required..

Duties: Under the direction and supervision of the Director of Operations or their designee, the Sr. Park Grounds Maintenance Technician, must be sufficiently skilled to perform and supervise a wide variety of grounds care and maintenance work. This shall include task specific program or project supervision. This position shall be required to supervise full and part-time staff annually. This is an at-will position

The Fox Valley Park District is a dynamic and growing park district that serves a diverse population of more than 236,000 people. Recognized as an Illinois Distinguished Agency, Fox Valley holds the nation's highest honor as a National Gold Medal Award winner for excellence in park and recreation

management. Serving the communities of Aurora, Montgomery and North Aurora, the District maintains 168 parks and 48 miles of interconnected regional trails amid 2,500 acres of parkland. Sharing the shores of the Fox River, our communities are united by the District's commitment to promote vibrant, healthy lifestyles through fun and safe recreation opportunities that are environmentally and fiscally responsible. The Fox Valley Park District ... Where Fun Begins!
