#### **Description:**

The Village of Deerfield, Illinois is seeking applications for the position of Maintenance Operator Trainee or Maintenance Operator I within the Public Works Water Division. Under the direction of the Water Foreman, or crew leader, the Maintenance Operator is responsible to perform a variety of general labor duties such as water main break repairs, water service line repairs, fire hydrant operation and repairs, removal and replacement of asphalt and concrete materials, landscaping, snow and ice control, and a variety of other miscellaneous duties. The MO in the Water Division may be called on to assist Sewer Division personnel. Knowledge of SCADA system operations is desirable.

Position and salary will be dependent on years of experience.

Maintenance Operator Trainee – Requires 1 year of experience, \$56,782 - \$70,145

Maintenance Operator I – Requires 5 years of experience, \$66,673 - \$82,358

\$2,500 signing bonus for new hire who currently possesses a valid CDL Class A Driver's License with airbrake and tanker endorsement.

For a complete job description and application information, please visit [www.deerfield.il.us](http://www.deerfield.il.us). Applications can be submitted online via the Village website. The position will close Friday, July 8.
