Salary: \$48,000- \$58,000/yr. depending on qualifications

Description:

The Glen Ellyn Park District is looking for a high-energy, creative, ambitious, and enthusiastic individual to maintain and enhance the flourishing programs and events at our premier sports and fitness center. Ackerman SFC is the most popular and well-attended facility within the community, serving nearly 500,000 patrons per year. ASFC has three full-size basketball courts with an elevated walking track, a 7,000+ sq. ft. fitness center, a 60x45 indoor turf field, four batting cage tunnels, a sports performance training center for individual or sports team training, a group fitness/dance studio, and several multi-purpose rooms. With the recent passing of a \$15.9 million referendum to improve and expand multiple facilities and parks as well as purchasing land for future developments, the Glen Ellyn Park District will be expanding and improving the facility with the addition of a new 6,000-square-foot gymnastics center, two new adult exercise and fitness studios, as well as various other facility improvements. This position will provide a unique career opportunity for the candidate to take on the Park Districts' small yet growing gymnastics program and put their skills to great length by taking on a brand-new gymnastics studio from the ground up.

JOB SUMMARY:

Under the direction and supervision of the Facility Manager, the Assistant Facility Manager – Programming will primarily be responsible for programming and special events offered at ASFC. Also, with the construction of a new \$6 million gymnastics center scheduled to open in 2025, this position will serve a critical role in the planning, development, and programming of the new center. In addition to the oversight of the new gymnastics center, current programming responsibilities include, various athletic instructional classes and camps, Arts & Crafts, Summer Fun, and Day Off School Camps, Kids Night Out and Tween Nights, Senior and Family Bingo nights, and themed birthday parties. Special Events include the Glow Run and Kids Color Run, Haunted Trail, Sports & Fun with Santa, Hopper Cottontail Easter Party, and Sports Swap. Serving as a member of the ASFC facility management team and within an inclusive and team-oriented environment, other shared duties and opportunities include program administration and budgeting, staff training, performance management, program instruction, facility management, and other duties as assigned. Will also serve as Manager on Duty for assigned shifts and in the absence of the Facility Manager. This is an at-will position.

LOCATION: Ackerman Sports & Fitness Center, 800 St. Charles Rd., Glen Ellyn, IL 60137

HOURS: General hours Monday – Friday 8:30 am – 5:00 pm with flexibility to cover varied shifts to observe programs and staff, stage special events, and support the needs of the facility, department,

and district.

EDUCATION, EXPERIENCE, AND TRAINING:

The ideal candidate will be a driven individual who is service-oriented, well-organized and enjoys a fast-paced environment. Must be a self-starter who is dependable, flexible, and able to work independently and be part of the team. An outgoing people person with strong customer service skills and the ability to exhibit authority is essential to communicate effectively with staff and the community. A Bachelor's degree in Recreation, Management, or a related field is required or an equivalent combination of education, training, and experience. At least three years of experience in a supervisory capacity is preferred, with other facility management and/or recreation experience highly desired. Experience and understanding of recreation program administration and special event planning, budgeting, personnel procedures, safety, and customer service are required. Strong computer skills in MS Office Suite (Word, Excel, and Outlook) and database applications. Recreation Software experience is preferred, with ActiveNet experience highly desired. Must possess attention to detail, strong organizational and time management skills, with the ability to shift priorities and multi-task. Must have effective problem-solving skills with the ability to act calmly and efficiently under pressure or in difficult situations. Must have CPR/First Aid training or receive within 3 months of hire.
