**Contact Phone:**

**Closing Date:**

**Salary:** \$24/hour and up DOQ

#### **Description:**

Be the "glue" that keeps the facility running, and our participants happy!

The Facility Maintenance Manager is a key member of the maintenance team responsible for contributing to the care and preservation of facility operations at several Park District facilities. This includes: maintaining, repairing, and practicing preventive maintenance of all Park District equipment and mechanical systems at their assigned facility\*. This could include the Family Recreation Center, Family Aquatic Center, Central Park West, and other Oak Brook Park District facilities as needed. These systems may include indoor and outdoor plumbing, indoor and outdoor lighting and electric, aquatic facility structures and machinery, HVAC, and general equipment required for the facility to operate efficiently.

This position includes:

- Pay range \$24/hour and up, based on experience and licenses/certifications for skilled trades.
- Non-exempt 40 hours per week.
- Weekly Schedule Mon-Thur daytime shift plus one shift per weekend, Saturday or Sunday. Occasional late nights/early mornings may be required.
- Extensive experience and/or certification in any general trade skill is preferred.
- Full benefits, including: IMRF pension plan, medical/dental/vision PPO and HMO options, paid vacation, personal and sick time, family membership and discounted offerings for Park District programs/events, professional development support

For the full job description, or any questions, please contact Rob Bond at [rbond@obparks.org](mailto:rbond@obparks.org).
