Contact Phone: 630-897-0516
Closing Date:
Salary: \$25 - \$27 DOQ

Description:

QUALIFICATIONS: The ideal candidate will be self-motivated and reliable, with good mechanical knowledge and instinct to troubleshoot and fix things. High School graduate or equivalent required. Must have at least 5 years of experience in the field of vehicle maintenance including light and medium duty trucks. Previous experience repairing and maintaining turf maintenance equipment including mowers, weed whips, edger's, etc. is preferred. Working knowledge of tools, equipment, and procedures used in overhaul, repair, and adjustment of gas and diesel-powered equipment. Skilled in electronics and electrical components utilized in automotive equipment. Working knowledge of operating principles and standards of heavy equipment, hydraulic systems, and gasoline/diesel engines. Ability to accurately determine mechanical repair needs and estimate time for repair. Welding experience preferred. Proficient computer skills required with prior work order system experience highly desired. Must have a valid Illinois CDL Drivers license. ASE certification preferred.

DUTIES: Under the direction and supervision of the Director of Operations or designee, the Mechanic is responsible for maintenance of all motor vehicles such as trucks, cars, tractors, mowers, and all other mechanical equipment owned and operated by the district. Perform diagnostic analysis, preventative maintenance, and repair to fleet vehicles and equipment. Assist in ordering and maintaining records for parts inventory and supplies. Assist in ensuring adequate fuel, oil, and other equipment fluid supplies for the district. This is an at-will position.
