Overview:

The Landscape Specialist - Conservatory is a Part-Time Position. We offer competitive compensation, PTO and an employee discount for part-time employees.

Job Purpose:

The Landscape Specialist performs landscape management practices at the Park District's parks, facilities, historic properties, and natural areas. Typical duties will include planting, weeding, watering, fertilizing, pruning, and mulching, bed preparation, plant installation, shrub and tree pruning, and seasonal cleanup operations. The Landscape Specialist will also assist in plant sales, markets, special events, and horticulture related programs. This position is a part-time, year-round IMRF position.

The Park District of Oak Park is an equal opportunity employer!
