#### **Description:**

Opportunity at a Glance

The Village of Orland Park has various professional opportunities for responsible, committed, team-oriented, task-driven and highly motivated undergrad and graduate students who are looking to gain a hands-on experience in their chosen professional field of study. Departments included in the internship program include Engineering, Public Works, Development Services, Recreation, Department of Information Technology, Finance, Village Manager's Office and the Mayor's Office. Each selected intern will provide support to and receive mentorship from leaders within the department specific to the education received. Undergrad and graduate applicants are encouraged to apply.

A summary of available Department Internship Responsibilities includes but are not limited to:

#### **Recreation**

A hands-on experience in recreation programming, special events, heritage sites, fitness, aquatics and early childhood education. Seeking three, one semester internships over the course of the year.

***Undergrad Intern:*** Basic knowledge of skill(s) needed to perform assigned duties.

***Graduate Intern:*** Bachelor's degree in applicable field of study; working knowledge of skill(s) needed to perform assigned duties.

All applicants are encouraged to provide a statement explaining how an internship with the Village of Orland Park will supplement or enhance your educational and/or career goals.

Department of interest, hours of availability and length of internship **must** be provided when applying.

Compensation & Benefits \$18.00 – \$25.00 per hour. Short-term and long-term internships are

available.

Interested applicants are welcome to apply via our website at <https://www.orlandpark.org/i-want-to/apply-for-a-job>.
