Salary: \$18-21 DOQ

Description:

The Addison Park District is looking for a creative, organized, and enthusiastic **Preschool Coordinator** to lead and grow our preschool program! We're seeking someone with **experience in early childhood education** and a passion for shaping young learners' first school experiences.

Our preschool is already supported by a wonderful team of **experienced teachers who have been part of the program for years**, and we're excited to build on that strong foundation. The Addison Park District is proud to be a place that values **flexibility and creativity**, giving our staff the tools and freedom to make learning engaging, fun, and memorable.

This is an exciting opportunity for a forward-thinker who is eager to **expand and enhance the program** for years to come. If you love working with children, families, and staff—and have the vision to take our preschool to the next level—we'd love to meet you!

Apply today and help us build something amazing together!
