Description:

Join the Addison Park District Team as a Recreation Manager – Youth Programming!

Are you a creative leader with a passion for shaping the next generation's play, learning, and growth? The Addison Park District is looking for an energetic and innovative Recreation Manager to oversee our youth programs — from preschool and before/after school care to summer camps, arts, and enrichment programs that bring smiles to hundreds of kids each year!

This is your chance to make a community-wide impact by designing unforgettable experiences that inspire imagination, friendships, and confidence. You'll work with a fun, supportive team that values collaboration, creativity, and positive energy. No two days are ever the same — one day you're leading the charge for summer camp kickoff, the next you're dreaming up the next big youth event!

If you're ready to:

- Lead and motivate an amazing team of staff and instructors
- Build programs that help kids grow, explore, and thrive
- Combine your organizational skills with your creative side
- Bring enthusiasm to everything you do

Then we want to meet you! Come grow with us, lead with passion, and help make Addison a place where every child's potential can shine.

Compensation:

- \$53,000–\$59,000 DOQ
- IMRF pension participation
- Healthcare options include medical, dental, vision, life insurance
- Paid vacation/holiday days, personal days, sick days
- Free/discounted Park District programming and facility use for you and your immediate family
