SUMMARY: The Accounting Manager is responsible for managing the day-to-day accounting and monthly close functions of the Park District. This role will oversee financial operations, accounting systems, budgeting, maintaining financial integrity, payroll, accounts payable and ensuring compliance with federal and state regulations. The position is also responsible for communicating with the Superintendent of Finance, ensuring compliance with the Park District's policies and procedures, contributing to the completion of projects and assisting with the year-end audit process.

SUPERVISORY DUTIES:

- None

ESSENTIAL DUTIES AND RESPONSIBILITIES:

- Manage the monthly close process.
- Review payroll and accounts payable processing.
- Participate in the month-end closing meeting.
- Provide support and guidance to the accounting staff as needed.
- Have discussions of accrual levels with the accounting staff.
- Identify accounting issues and recommendations for resolution and review of large or critical entries.
- Manage the balance sheet accounts for the Park District in accordance with policies to include review of all account reconciliations including bank reconciliations.

- Follow-up on issues and problem resolution.
- Develop an in-depth understanding of the business unit's numerous revenue streams.
- Document process flow and controls and ensure appropriate revenue recognition.
- Ensure that policies and appropriate internal controls and processes are followed and functioning as designed (segregation of duties, timely account reconciliations, etc.).
- Work closely with the business unit supervisors and managers to stay current with the business and identify matters that may have accounting implications as well as the escalation of those matters.
- Provide relevant accounting training to the business units.
- Supervise the annual audit process, prepare financial reports and ensure compliance with applicable regulations.
- Contribute to the annual budget process.
- Ensure all mandated financial filings are completed timely.
- Actively uphold and contribute to the Wilmette Park District Comprehensive and Strategic Plan, including the Guiding Principles and Strategic Priorities.
- Actively contribute to the Park District's sustainability goals.
- Perform other duties as assigned.

SAFETY RESPONSIBILITIES:

- Actively support the safety program that will effectively control and reduce accidents.
- Obey all Park District and departmental safety rules, regulations and procedures established by the Wilmette Park District safety program that are pertinent to the activities conducted at the facility and property.
- Promptly report all unsafe actions, practices or conditions to the immediate supervisor.
- Attend and participate in required safety training.

QUALIFICATION REQUIREMENTS:

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

EDUCATION AND/OR EXPERIENCE:

- Bachelor's Degree preferred in Accounting, Finance, Business Administration or a related field.
- Minimum of four years of progressively responsible financial experience.
- Experience with governmental accounting principles and investment practices.

KNOWLEDGE, SKILLS AND ABILITIES:

- Strong organization management, attention to detail and problem solving, along with excellent communication skills.
- Strong knowledge of Excel and accounting software.
- Communicate in proper written form and be proficient in communicating verbally in group and individual situation.
- Ability to read, analyze and interpret general business periodicals, professional journals, technical procedures or governmental regulations.
- Ability to write reports, business correspondence and procedure manuals.
- Ability to effectively present information and respond to questions from groups of managers, patrons and the public.

- Ability to solve practical problems and deal with a variety of concrete variables in situations where only limited standardization exists.
- Ability to interpret a variety of instructions furnished in written, oral, diagram or schedule form.
