

## **Civil Engineer**

### Forest Preserve District of DuPage County

**Contact Name:** Forest HR

**Contact E-mail:** foresthr@dupageforest.org

**Contact Phone:** 630-933-7682

**Closing Date:**

**Salary:** \$90,334.00 to \$101,712.00 per year

#### **Description:**

The Forest Preserve District of DuPage County is seeking a Civil Engineer to join our Planning & Development team located in Wheaton, IL. This position provides the opportunity to contribute to the larger mission through applying civil engineering practices to the planning, design and construction of the district's public works engineering projects.

#### **Compensation**

Salary \$90,334.00 to \$101,712.00 per year, depending on experience.

The position includes a comprehensive and generous benefits package featuring:

- Illinois Municipal Retirement Fund (IMRF) pension program, offering one of the most robust and financially secure public pension systems in the country, with both employer and employee contributions and longterm retirement stability.
- Tuition Reimbursement to support continued education, skill development, and career advancement.
- Professional Organization Membership funded by the employer to encourage ongoing professional growth, networking, and access to industry resources.
- Health, Dental, and Vision Insurance
- Paid Holidays, Vacation, and Sick Time
- Life Insurance
- Deferred Compensation options

#### **About the Role**

We are looking for an experienced civil engineer with full cycle civil design experience who has experience interacting with contractors on construction sites. This role involves preparing engineering plans, design, calculations, research and permits necessary for implementation of capital improvement projects. The role will assist in the evaluation and inspection of contractor's work to ensure compliance and will require various PPE including safety boots, glasses and vests. The position is based out of the Wheaton Headquarters office and will require driving District vehicles to

construction sites.

**Schedule**

Schedule is Monday - Friday 8:00 am to 4:30 pm

**Key Qualifications**

- Bachelor's degree in civil engineering or related field
- Registered Professional Engineer in the state of Illinois, or the ability to obtain licensure within one year
- 3 years experience with CAD Civil 3D
- Project management involving the full cycle of civil design experience
- Construction site experience including interaction with contactors onsite
