#### **Description:**

The Forest Preserve District of Kane County is hiring a Project Manager to join its Planning & Acquisition team. Under the leadership of the Director of Planning and Land Protection, this new position will be responsible for planning, coordinating and overseeing a variety of construction and infrastructure projects, including contract document design, budget oversight, and onsite project observation. This position also manages the organization's encroachment program and GIS mapping database.

The ideal candidate brings technical proficiency, is collaborative, adaptable, and decisive. These effective communication skills and their ability to organize resources, problem-solve, and manage budgets and timelines will contribute to the District's continued success in delivering trail and amenity improvements to its preserve users. **Applicants must possess a Bachelor's degree in landscape architecture, engineering, construction management, geographic information systems (GIS) or a closely related field, and bring at least one to three years of experience in project management experience with an emphasis on recreational facilities, site development, and restoration. A valid Illinois driver's license with the ability to maintain insurability is required. GIS certification is preferred.**

This is a full-time, exempt position with an annual salary range of \$75,743.82 - \$85,697.25 with a starting salary of \$75,743.82 - \$77,637.46, plus eligibility for the District's full-time benefits package. Please apply here: [Current Openings | Recruitment](#)
